TEAMS

If you would like to join one of our teams or want more information, please stop by after school Monday-Thursday and talk with SFC or CSM.

The unarmed and armed drill teams are units that perform routines based on military drill. Armed drill is performed with a rifle, while unarmed drill uses hand techniques.

The color guard is a group of four to five cadets who represent the US flag at school events and ceremonies.

The rifle team consists of a group of cadets with excellent marksmanship skill.

The orienteering team takes the challenge of using a map and compass to pinpoint marks showing their designated destination, earning points for each one they find.

The power squad is a group of spirited cadets that cheer on the Chapin husky football teams, doing pushups, jumping jacks, or a run for every point or touchdown scored.

The PT team consists of active cadets who compete at drill meets, doing physical fitness.
